

# *Participation in the Circle of Roses*

The Saint Therese Center is experiencing an increasing demand for its services as the HIV/AIDS pandemic continues to expand in Southern Nevada (CDC report). Since we have created a high level of credibility among governmental and private agencies, professionals and those whom we serve, we are strained to accept some thirty new clients per month. At this point of growth we are requiring increased funding to cover the costs of our exceptional expanding programs. We are committing ourselves to a donor drive to secure ongoing funds for expansion and operations. As we are not a part of Catholic Charities and the Roman Catholic Diocese of Las Vegas wishes us to be self supporting as little or no Diocesan funds are available, we continue to seek support from Foundations and other funding sources to supplement our own fundraising endeavors to achieve financial self-reliance,

Join the ongoing Circle of Roses by participating in the donor program by choosing a bud or color rose to continue our HIV+ men, women and children “experiencing the little flowers in their lives.”

- [ ] Green Rose Buds of Hope anything under \$100.00 for the year
- [ ] Multi Color Tea Roses Donations of \$100.00 or more per year (\$10.00 a month)
- [ ] White Roses Level Donations of \$500.00 or more per year (\$42.00 a month)
