

# Saint Therese Center HIV Outreach

## 2012 AIDS Support Holiday Ornament Program

### *Hopes and Dreams*

Once again Saint Therese Center will participate in the AIDS support ornament program featuring this year's ornament *Hopes and Dreams*. This year's charming design features a festive North Pole directional sign and delightful little holiday penguin ready to help find the way to hope, dreams, and the possibilities of all. Segments of the decorative pole are trimmed with the red international symbol of HIV/AIDS awareness.

The ornament, suspended from a red ribbon, will come in a presentation box with a gold foil design showing the ornament of the cover. Each presentation box contains a velour interior and a beautifully printed insert card that speaks in general terms about the symbolism of the ornament design and the mission of the AIDS support Program, the Saint Therese Center.

Proceeds from the sale of these ornaments support the programs at Saint Therese Center committed to serving men, women and children of all faiths and extending the Lord's healing to all persons infected and affected by HIV/AIDS.

Last years ornament sold out completely by mid-November, so to ensure you get one this year, place your order now...they are available for pick-up or delivery immediately! Feel free to use the order form below and return it with your check (made out to Saint Therese Center) or credit card information. Thanks for your participation in this program!
